

## Morgan Hill Makos Swim Club Consent Form for Using Your Child's Image

Dear Parent / Guardian,

This notice is to alert you that we may take photographs of the swim team during any team activities such as practice, swim meets, social functions, and meetings. We may use these images in our publicity material, or in other printed publications that we produce, as well as on our website or on display boards. We may submit photographs to the local newspapers and swimming magazines. We may also make video recordings for use on the website and as an aid to training.

From time to time the club is visited by the media who will take photographs of a visiting high profile sports person. Swimmers will often appear in these images, which may appear in local or national newspapers, or on televised news programs. To comply with ASA (Amateur Swimming Association) guidelines and best practice we need your permission before we can photograph or make any recordings, one video or otherwise, of your child.

Please answer the three questions below by circling either 'yes' or 'no', then sign and date the form. **PLEASE RETURN this form to the Membership Coordinator as soon as it's been completed.**
